

MyPhone M500

Introduction

The MyPhone M500 is a particularly versatile PDA. With this comprehensive Quadband device, you can be reached almost world-wide, transfer files via Bluetooth and Infrared, and use the 1.3 Megapixel Digital camera to capture your favorite memories.

The Typhoon MyPhone allows you to organize your appointments and documents, compare them to your PC's via included MS Outlook™, enjoy MP3s and Videos, or game your heart out.
